# FROM THE TOWER

SUMMER 2025 | VOL 31

## Coming Right up

Of course we have a few weeks of summer left, and we are not wishing them away! If anything we are making the most of them! There have been many moments when we look forward and think, "Wow! We should probably make sure everyone knows what's coming up because we would hate for them to miss it."

Now, because I know most people won't read, here is how this is going to go; I am going to do a quick list of "mark your calendars" right here - BUT if you want to know more about the what and why behind the event click on it and read all about it.

# Parking at the Chapel

Just a reminder that we have limited space for parking at The Chapel. We must always leave the far East lane in front of The Chapel clear. Just because we don't have parking around the building, doesn't mean we don't have a place for you to park.

The community of Seaside is such a friend to The Chapel. We are so grateful for their care for us as a community inside the community. Parking in Seaside is currently paid parking, but they have helped us in this area.

We have been given parking passes for The Chapel for Sunday mornings. It is a different pass/code each Sunday and is good anywhere you can **public** park (paid or free) in Seaside.

**The passes are good till noon on Sundays only.**

You can print them out, or write the code and put it on your dashboard.

Click the car below for your parking passes for the rest of the year!

# Summer Bible Study

## There is still time to join us in **The Summer Bible Reading Plan + Teaching Podcast**

From June 2 to August 8, we have been journeying through Luke and Acts together.

Here's how it works:

- Pick up a bookmark at The Chapel with the full reading plan—what to read and when.
- Listen to weekly teaching podcasts from Andrew and Sarah, offering insight and reflection on each week's reading. Stream the latest podcast on [Apple](#) or [Spotify](#) or wherever you stream to get caught up.
- Gather with others—whether at the beach, a coffee shop, or your backyard. Read. Listen. Talk. Pray.

Even if you're traveling, you can stay connected and engaged with what God is doing in and through our church.

# Summer Stories!

July 15. 6:00-8:00 PM

## SUMMER STORIES

7.15.2025

[CLICK HERE TO  
REGISTER](#)

Our June Summer story was such a sweet time. After a huge and delicious pot-lucked meal, we circled up and I, Sarah, shared a bit from my visit to Africa. We are gathering again on July 15<sup>th</sup> and you will get to hear from Josh and Chelsea Waddell. Many of you know them as you see them serve, but you may not know what the Lord has been up to in their lives!

### Here's the plan:

- Dinner starts at 6:00 PM – We'll provide the main dish (BBQ-style: burgers + dogs) and drinks.
- You bring a side or dessert to share – Think old-school church potluck.
- At 7:00 PM – We'll circle up to hear a story of what God has done or is doing in someone's life.

### Bring the Whole Family

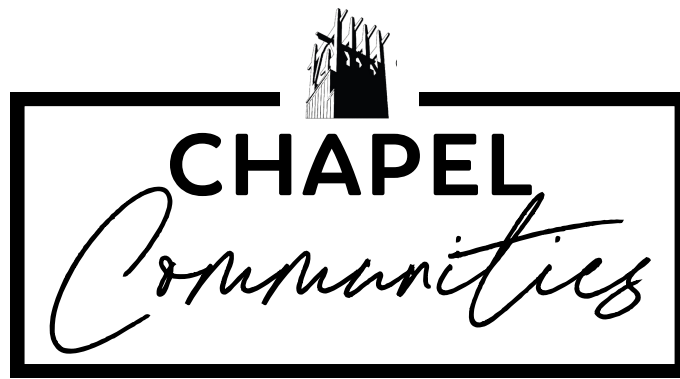

Youth and kids are invited too!

At 7:00 PM, our Next Gen team will lead them in fun and games while adults gather to listen and share.

These nights are a chance to slow down, be together, and celebrate what God is doing in our midst.

For details and to register, [click here](#). We can't wait to share the table—and the stories—with you.

Have you been looking to step deeper into community at The Chapel. Join us for a new Chapel Communities Launch meeting on Sept 7<sup>th</sup> Following the 10:00am Service! This is a non-committal informational meeting!

\*If you are happy in your community this meeting is not for you.

Chapel Communities are exactly what they sound like.

They are smaller communities made up of people who call The Chapel "home". They meet weekly or 2x a month depending on the group. The groups are led by it's members as a team effort. The curriculum for the group is provided and encourages depth in personal and communal spiritual formation.

We would love to know you are coming

# Back To School Sunday

As the school year begins, we at The Chapel like to take a second and call all the students to the forefront of our minds and prayers. On Sunday, August 10<sup>th</sup> we will be recognizing all the students in attendance and praying a special blessing over them before they head back to school!

We hope that if you have kids in School, or you are a local, you will make this Sunday a priority.

## Invitation into Baptism

If you have been wanting to be baptized, we are going to have a beach baptism and bonfire *likely* on Sept 28<sup>th</sup>. If you are interested in or have been thinking about being baptized, please click the link for more information and to attend a meeting on Sept 21<sup>st</sup> right after our 10:00am service.
